

**REMARKS**

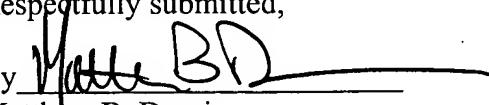

Applicants have requested that the Examiner review and enter the attached drawing sheet containing FIGS. 4a-g. This drawing sheet does not replace any existing drawing sheet. The drawing sheet was inadvertently omitted from the drawing sheets that were originally filed with the instant application.

No new matter is added by the drawing sheet containing FIGS. 4a-g. The instant application is a continuing application of U.S. Patent Application No. 10/688,632 and incorporates that application by reference. As U.S. Patent Application No. 10/688,632 includes FIGS. 4a-g, Applicants are entitled to introduce a drawing sheet containing same in the instant application without adding new matter. Further, the specification of the instant application discusses FIGS. 4a-g in detail. Accordingly, Applicants submit that no new matter is added by the drawing sheet containing FIGS. 4a-g.

In view of the foregoing, Applicants submit that the instant application is in good form for examination. Early and favorable action is earnestly solicited. In the event there are any fees due and owing in connection with this matter, please charge same to our Deposit Account No. 11-0223.
